

ASSEMBLY INSTRUCTIONS

1. Remove the display from the transport bag.

2. Release Flex-o, the display will take shape on its own.

3. Spread the trestle parts and join the Velcro.

4. Use the supplied pegs to secure Flex-o to the ground.

for the assembly video tutorial

The edging area is intended to be entirely covered. Then fill with just the base, without any important elements.

Bring the path to the indicated dimensions.

- ABUNDANCE
- CUT
- SAFETY MARGIN
(Do not place important content beyond this margin)
