

ASSEMBLY INSTRUCTIONS

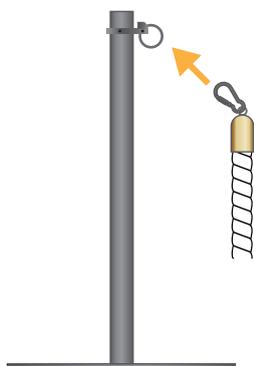

1. Join the circular base to the vertical pole, fixing the parts with the screw and Allen key supplied.

2. Apply one or more rings to the floor lamp according to your needs and fix it at the desired height by acting on the central knob with the Allen key supplied

3. Insert a ring into the appropriate shaping and lock using an Allen key on the existing screw

4. Apply the rope to the ring by acting on the carabiner at the ends

5. Repeat the operation for the number of stands used
