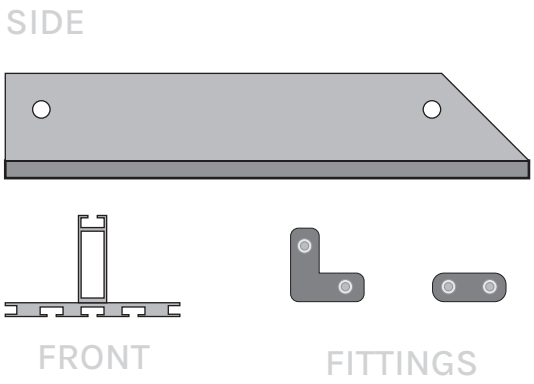
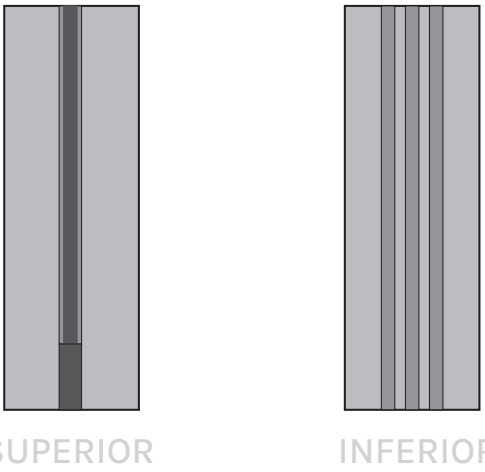
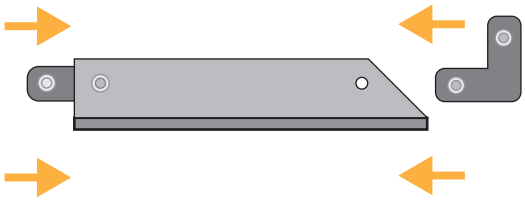
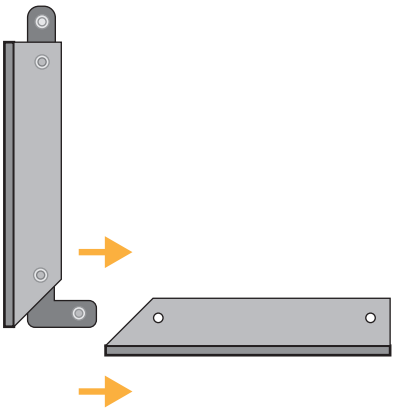
TEXTILE FRAME
ASSEMBLY INSTRUCTIONS



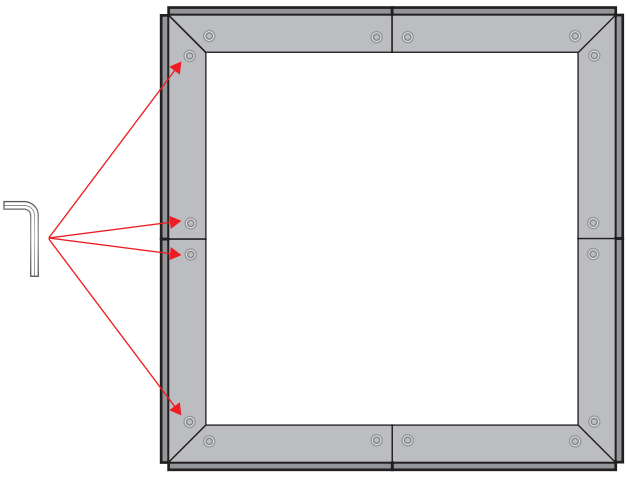




1. Insert the fitting into the profile until the button stop clicks



2. Continue assembling the structure in the same way



3. Once the structure has been assembled, secure the fixing using the supplied Allen key

4. Apply the print to the structure by inserting the silicone profile into the appropriate shaping of the structure

NOTE - This instruction sheet presents the assembly of a simple frame. The product allows different configurations; the assembly procedure remains the same.
