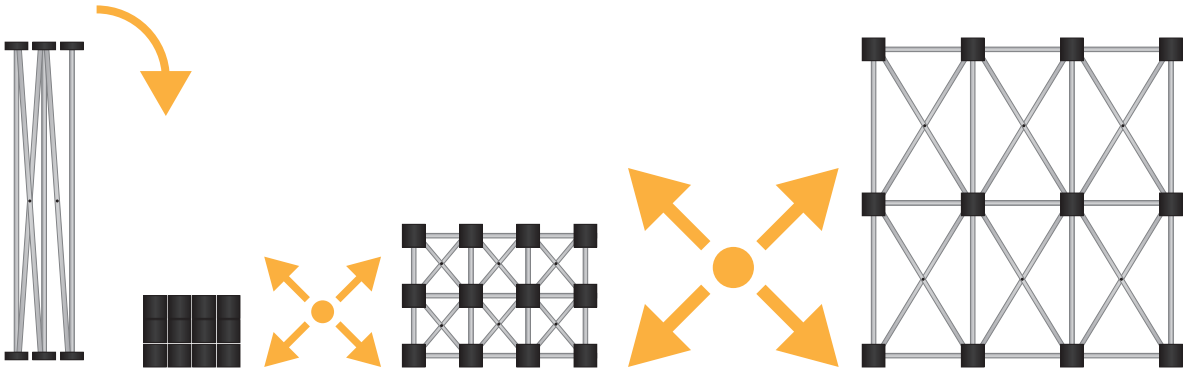
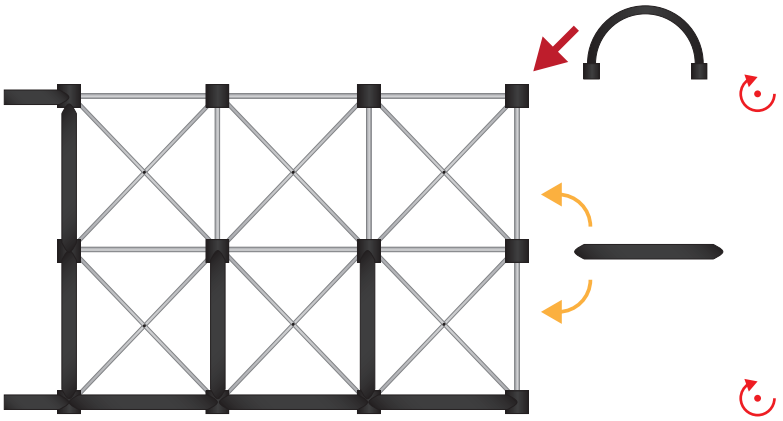
ASSEMBLY INSTRUCTIONS - black top version

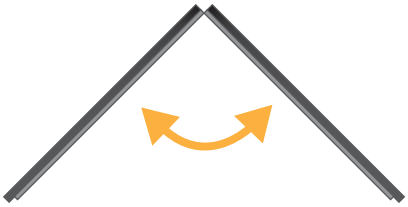


1.Open the Pop-Up umbrella structure



2. Apply the metal bars in the appropriate shapes between the fittings and the curved bars at the upper and lower side ends

3. Wrap the printed profile making the magnetic stripes on the back of the panel coincide with those applied to the structure



4. Open the wooden panel of the top by inserting the locking pins present in the shapes of the pop-up structure

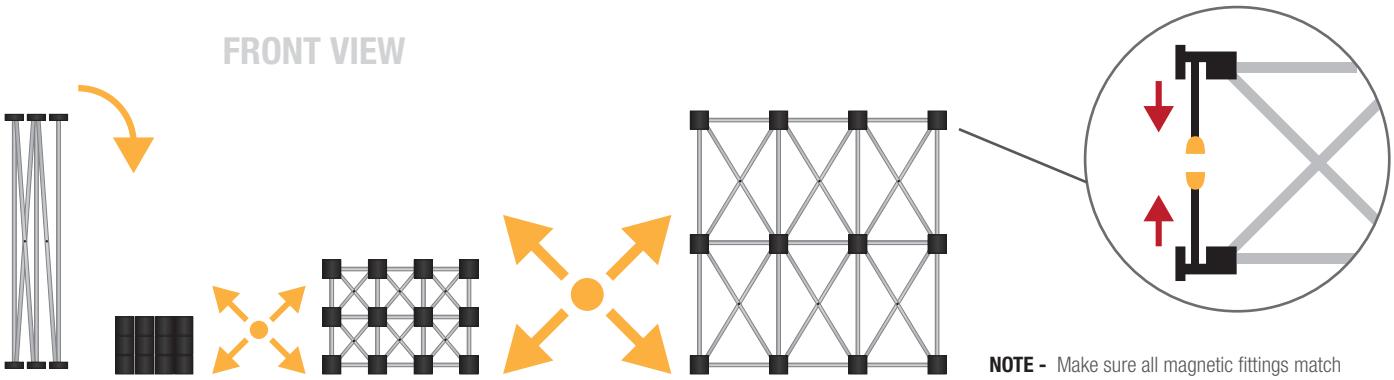
ASSEMBLY INSTRUCTIONS - birch top version

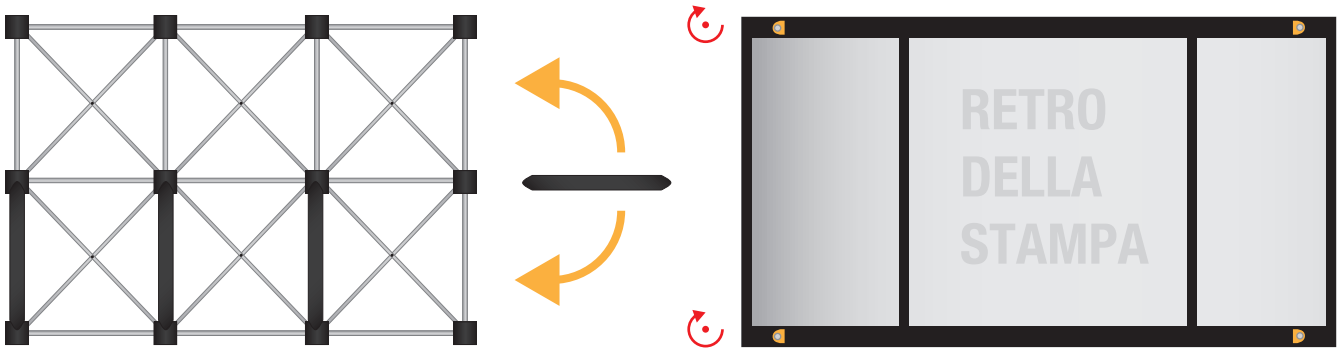
FRONT VIEW

TOP VIEW



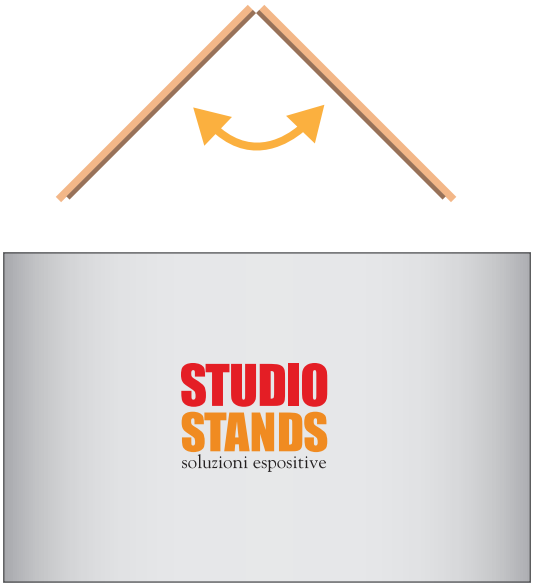
NOTE - Make sure all magnetic fittings match

1. Open the Pop-Up umbrella structure
(the side to be left facing down has adjustable knurled feet)



2. Apply the rigid vertical magnetic bars in the appropriate shapes between the fittings (in the birch top version there are NO perimeter curved bars)

3. The horizontal bars (flexible) with magnetic hook are pre-assembled on the back of the print.
Wrap the print around the structure, making the magnetic bars and the shaped parts coincide with each other



4. Open the wooden panel of the top by inserting the locking pins present in the shapes of the pop-up structure
