

ASSEMBLY INSTRUCTIONS

1. Simply assemble the rod by interlocking, following the numbering of the stickers on the tubulars
ATTENTION - the number of tubulars varies depending on the format chosen

2. Insert the pole into the slot of the flag and pull until insertion is complete

3. Insert the fixing ring and lock in position by acting on the ring nut, then tension the flag by applying the cord present to the ring hook

NOTE

It is possible to accessorise Goccia Deluxe with various types of pedestal. See the section “**OPTIONAL BASES**” on our e-commerce.
