

ASSEMBLY INSTRUCTIONS

1. Open the Pop-Up umbrella structure

2. Apply the magnetic bars in the appropriate shapes between the fittings

3. Apply the hooks present in the upper rear part of the printed bands to the appropriate seats present in the structure, then adhere the magnetic bands to those previously applied to the pop-up lattice

NOTE

Wall is available in a straight or curved version. It is possible to use this backdrop in double-sided mode by appropriately modifying the structure.
